# Carole Colley – Career Pathway map

# Carole Colley

01

## Studying Law

5 years at Lyon III University and a Maîtrise degree

Part-time and summer jobs:

- Babysitting
- Customer Services call center agent

02

## Discovering IT Consultancy

10+ years working for French banks as an IT functional consultant (run and project)

03

## Discovering Digital Transformation

The beginning of many first times:

- Working on Microsoft products
- Agility
- Delivery Management
- Project Manager
- Bid Management (Pre-Sales)

04

## Embrace Growth Mindset

Seize every possible opportunity to grow professionally and personally:

- People Management
- School of Innovation
- Train & Get Certified

05

## The Importance of Commitment

It is important to receive but more so to give to peers:

- Employee Network lead
- Vice Secretary to French Work Council

Thank you for  
your time
